

IS PROUD TO OFFER BRAVENOISE, A HAZY PALE ALE

#BraveNoise quickly became the inquiry that sent shockwaves throughout craft beer, subsequently inspiring a **BEVOLUTION**. To keep the momentum going; to honor those who have spoken out about their gender discrimination, racism, sexual assault, and harassment; and to bring further awareness to the issues that women, BIPOC, and

LGBTQIA+ individuals face in craft beer, we invite you to join us in a collaborative brew titled "**BraveNoise.**"
