THE PARTNERSHIP GRAND STRAND FOUNDATION (PGS) is a 501(c)(3) nonprofit foundation and a five-year strategic initiative designed to accelerate economic prosperity and quality of life for all businesses and residents across Horry and Georgetown counties.

PGS will support partner organizations and communities by providing dedicated staff, increased resources and funding for new catalytic projects that will strengthen four equally essential and interconnected pillars of success:

PROSPERITY: To diversify our economy and grow small business

TALENT: To attract, develop, and retain talent

PLACE: To support the revitalization of downtown and the oceanfront, and

INFRASTRUCTURE: To scale up our transportation infrastructure

PGS will fund new staff to execute specific strategies and tactics focused on the pillars of success, helping fuel the region's long-term economic prosperity and quality of life for **ALL** residents.

The campaign to fund the initiative officially kicked off Feb. 24, 2022, and as of December 2022, the PGS Foundation successfully raised over \$3.2 million of its campaign stretch goal of \$3.5 million, with 84 investors. The success of the campaign is a testament to the community's belief that this five-year strategic initiative will benefit the Grand Strand for years to come.

Please help to support this initiative by rounding up your change on your next visit to Tidal Creek Brewhouse! During the **entire month of January 2023**, TCB will donate the proceeds from their monthly Roundup program to the Partnership Grand Strand Foundation. Visit TCB at 3421 Knoles St, Myrtle Beach between January 1 – January 31, 2023.
